Re: Dr. Frank Liberti and Associates

Sponsor No. 8966 - First Year

Dear Dr. Liberti:

The Louisiana Mandatory Continuing Legal Education (MCLE) Committee has approved your application for accredited sponsor status for a one-year term effective October 7, 2019.

Your permanent sponsor identification number is xxxx

Louisiana Supreme Court Regulation 4.2 requires yearly application for conditional sponsors of in-state programs for three consecutive years. If the conditions of the court rules are upheld during the three year probationary period, then the MCLE Committee may extend permanently accredited sponsor status. It is the responsibility of the sponsor to submit the yearly application with the appropriate fee. Also, you will be asked to submit with your next yearly application, the materials for any courses that you have had accredited with the MCLE Committee during your first year. Failure to comply with these rules can result in fines or loss of accreditation status.

Feel free to contact this office if you have any questions concerning the MCLE procedures.
