SPONSOR ATTENDANCE REPORTING REQUIREMENT

The OKMCLE office has a new system for reporting attendance. Please login to the attendance reporting portal on www.okmcle.org/attendance. If you have not created a login, please contact our office at mcle@okbar.org.

As in the past, attendance must be submitted within 30 days of the program or by January 10th of the following year, whichever comes first.

This report should include only the OBA members who attended this program. Speakers should only receive attendance credit for the sessions they attended when they were not speaking.

Please Note: Speakers are entitled to 6 CLE teaching credits for each solo 50 minute presentation. For panel presentations, the total length of the panel is divided by the number of panel members before credit is calculated. If you have questions about calculating teaching credit, please contact us at (405) 416-7009.

Need a Uniform Application for Accreditation for future programs?
